

## Proposed Mission of Sammilito Islami Bank PLC

### **Mission – (Bullet Point Format)**

- To become the largest and most preferred Shariah-based Islami bank through trust, integrity and service excellence
- To meet the growing demand for Shariah-based financial products and services through a strong and trusted state-owned banking institution
- To ensure sustainable and responsible growth aligned with Islamic banking values and ethical finance
- To expand banking outreach in rural and underserved areas to promote financial inclusion
- To support SME development and productive sectors for balanced economic growth
- To uphold social welfare, equity and justice in all financial activities
- To deliver superior, technology-enabled and customer-focused banking services
- To foster a supportive work environment that ensures employee wellbeing, engagement and continuous development
- To maintain strong governance, compliance and transparency while contributing to the long-term socio-economic development of the country
